PRIVACY POLICY

Abdul Karim Kamal S — Engineering & Robotics Portfolio

Effective Date: October 2026
Jurisdiction: Coimbatore, Tamil Nadu, India

> **Policy Overview:** This Privacy Policy outlines how your personal data is collected, processed, and safeguarded when interacting with the engineering portfolio website of Abdul Karim Kamal S (abdulkk0913@gmail.com), including embedded 3D visualizers, contact communication services, and demonstration software.

01. SCOPE & CONSENT

By visiting this portfolio, submitting messages through contact forms, or interacting with integrated project assets (such as 3D embedded models and open repositories), you acknowledge and consent to the data practices articulated herein. This policy adheres to the Information Technology Act, 2000 of India and international web privacy standards.

02. Information Collected Directly

We collect personal information voluntarily provided by visitors through the contact gateway, which may include:

- **Contact Identity:** Full name and professional email address.
- **Inquiry Content:** Project scope, messages, and professional collaboration notes.

03. Automated & Technical Data

Standard web metrics collected automatically via hosting and network providers:

- **Device Telemetry:** Browser type, operating system, and screen resolution.
- **Network Metrics:** Masked IP address, general country/city geolocation, and referral source.

04. PURPOSE & LEGAL BASIS OF PROCESSING

All collected personal data is utilized strictly for professional evaluation and correspondence:

- **Direct Communication:** Addressing technical consultations, engineering recruitment inquiries, and academic feedback.
- **Security & Spam Mitigation:** Preventing automated denial-of-service attempts and abusive form submissions.
- **Site Reliability:** Analyzing performance metrics to optimize load times for 3D interactive embeds and assets.

05. THIRD-PARTY PROCESSORS & INTEGRATIONS

This website incorporates trusted third-party technical services to deliver high-performance interactive features:

- **EmailJS:** Dispatches contact messages via encrypted API protocols directly to `abdulkk0913@gmail.com` without retaining unencrypted message databases on independent intermediate web servers.
- **Sketchfab (3D Viewers):** Renders embedded interactive CAD and hardware models. Sketchfab may place functional cookies and gather WebGL rendering telemetry per their respective privacy policies.
- **GitHub Pages / Static Hosting:** Collects baseline server access logs for uptime monitoring, DNS resolution, and threat prevention.

06. DATA RETENTION & SECURITY MEASURES

Personal correspondence is retained only as long as required to address inquiries or sustain ongoing professional collaboration. Standard SSL/TLS encryption protocols are enforced for all transit channels. Your information is never monetized, rented, or traded to third-party advertisers.

07. USER RIGHTS & CONTACT CONTROLLER

Visitors hold the right to request access to, correction of, or permanent deletion of any submitted correspondence. Inquiries or data deletion requests may be directed to the sole data controller:

Controller: Abdul Karim Kamal S (SKCET, Coimbatore) **Email:** abdulkk0913@gmail.com **Location:** Coimbatore, Tamil Nadu, India
